

IHCC Vision, Mission and Guiding Principles

VISION

To provide value to the Hispanic and general business communities by fostering mutually-beneficial communication, business relationships and advocacy.

Mission

The Idaho Hispanic Chamber of Commerce is dedicated to the advancement and promotion of economic growth within the Idaho business community through advocacy, empowerment, education and networking.

Guiding Principles

1. Create networking opportunities within business and communities across Idaho
2. Develop partnerships with the business community and civic and governmental organizations.
3. Provide a forum for productive communication and learning
4. Be actively engaged in the advocacy of members on local and state platforms.
5. Foster leadership programs to build future Hispanic leaders
